

D3 TAR

Description:

D3 is a degreaser for oily residues, tar, asphalt and waxes. Its innovative formula seizes and eliminates road pollution without leaving residues or scratches that should then be corrected by polishing processes. With its unique formula, cleaning will allow better adhesion of the coating molecules, ensuring more durable protection.

Directions for use:

Use it pure to treat surfaces with tar or heavy contamination. Wait for the product to react (2-5 minutes) and rinse with plenty of water or treat it again with a damp microfibre cloth until it is removed completely. In case of stubborn dirt, repeat the operation. Warning: do not apply the product on hot surfaces and do not allow it to dry.

Warning:

do not apply the product on hot and delicate surfaces and do not allow it to dry.

Consumption:

100 ml/car

Technical Features:

Appearance and colour: Lightly amber liquid

Odour: characteristic

Flash point: >100°C

Relative density: 0,89 g/cm³

Solubility in water: not soluble

Solubility in oil: soluble

Storage:

Unopened and stored at room temperature away from direct sunlight.

Packaging:

PACKAGING	BOX	ITEM CODE
500 ml	5 PCS	79293
